

## Nevis Tax Reporting Deadline Extended

On 23 December 2020, Morning Star Holdings received an industry advisory from the St. Kitts & Nevis Inland Revenue Department (IRD), providing a further extension for Nevis entities to file the Simplified Tax Return (STR) CIT-101 Form. The new deadline is 26 February 2021. This is likely to be the final extension.

We have concluded discussions with the Nevis Government and the St. Kitts & Nevis IRD and are now satisfied there is a legal basis for requiring Nevis entities to submit STRs. We will provide further information about this and the filing process in early January.

Morning Star Holdings is committed to ensuring the integrity of the tax reporting process and to providing our clients with up to date and accurate information to enable compliance.
